This poem is dedicated to Jenn "Purple People Eater" McLaughlin

Sometimes in Life,
You find a special friend,
Someone who changes your life
Just by being a part of it.
Someone who makes you laugh
Until you can't stop.
Someone who makes you believe
That there is really good in the world.
Someone who convinces you that
There really is an unlocked door
Just waiting for you to open.
This is a Forever Friend.

When you're down
And the world seems dark and empty,
Your Forever Friend lifts you up in spirit
And makes that dark and empty world
Suddenly seem bright and full.

Your Forever Friend gets you through The hard times, the sad times, And the confusing times. If you turn and walk away, Your Forever Friend follows. If you lose your way, Your Forever Friend guides you And cheers you on.

Your Forever Friend holds your hand And tells you that everything Is going to be okay. And if you find such a friend, You feel happy and complete, Because you need not worry. You have a FOREVER FRIEND for life And forever has no end.

Family and Community Leaders

Family and Community Leaders, FCL, is an organization open to all students at GHS who want to be involved in their school and community. The goals of this group are to help young people become leaders, support school activities, interact with the community, and learn life skills such as planning, goal setting, problem solving, decision making, and interpersonal communication. This past year the club was involved in many rewarding activities: face painting at Homecoming, making Easter baskets for needy children, making quilts for babies in local hospitals, co-sponsoring an Easter egg hunt, helping with Christmas on the Common, co-sponsoring a Senior Citizen Dinner and show, and helping at many school functions.

At the end of the week, the seniors won, juniors came in second, sophomores placed third, and freshmen took fourth. FINE SCHOOL SPIRIT AND GHS PRIDE FROM EVERYONE!

I would be true, for there are those who trust me;
I would be pure, for there are those that care.
I would be strong, for there is much to suffer,
I would be brave, for there is much to dare.
I would be friend to all--the foe, the friendless;
I would be giving, and forget the gift.
I would be humble, for I know my weakness;
I would look up--and laugh--and love--and lift.

"This year we were okay; next year we will be better," said Coach Flynn as he bid his team farewell at the end of their season. I think we had a great season because we learned about winning and losing. I want to thank Mr. Flynn for being our coach and giving his best. Also Brian Hart and Brett Mills were inspiring captains and Richie Rossetti was our dauntless goalkeeper. We had an international team this

year: Alberto Beraudo from Italy, Miguel Vidal from Puerto Rico, and Jorge deCorral from Spain, and me from Germany. Our team was built out of many countries and everybody brought the team together. We played "crazy" soccer. Alberto and I especially want to wish next year's team the best of luck.
